Vol. V No. 8

Dear Customer:

We would like to thank all of you who participated in our year end inventory sale and our ANA auction. Both were a tremendous success. Thanks again.

Since our last *Update* we have been to three major conventions. St. Louis, New York and our annual ANA convention in Baltimore. The market is very strong and seems to be getting stronger every month.

A few of the most sought after series are Morgan Silver Dollars, U.S. Gold, Commemoratives and many of the 20th century type coins. At the ANA dealers, collectors and investors alike seemed to be in desperate search of all varieties of material in MS-63 or higher grades.

Inside this month's *Update* you will find our new purchases from the ANA. We hope you will find something you like.

Cordially,

Tim LaPointe

P.S. Be sure to look over the enclosed flyer on a very special sale, featuring thousands of new purchases from the ANA convention!

Our Guarantee

All coins purchased from Heritage Rare Coin Galleries are covered by an unconditional 45 day return privilege, one of the longest in the industry.

It is also guaranteed that all coins sold are genuine. As proof of our certainty that no counterfeit or altered coin can escape our attention, it is also guaranteed that we will refund the full Heritage purchase price plus 15% interest per year compounded annually on any non-authentic coin sold through Heritage Rare Coin Galleries. If you request auction for liquidation, Heritage Numismatic Auctions, Inc., after acceptance, will catalog your coins at the same grade which you purchased them.

Each and every coin sold by Heritage Rare Coin Galleries is graded on both the obverse and reverse, according to the standards set forth in the American Numismatic Association Grading Guide. It should be understood, however, that grading is an art and not a science, and that the American Numismatic Association standards, as published, are somewhat vague and subject to interpretation. Because of this, opinions on grading as well as value, can, and often do, differ between experts as well as grading services. The purchaser is therefore encouraged to carefully inspect and evaluate all coins during this 45 day period.

There is only one way you are sure to get the coin you want.

The Heritage Assured Delivery Program.

Now you are sure to get the coin you want with the Assured Delivery Program. Never again will you spend months searching through price lists, catalogs, advertising lists, or auctions for the one coin you want only to realize after you think you've purchased it, the coin is "sold out".

And in today's faster moving coin market, with short supplies of quality items, the problem of ordering the coin "first" will only worsen.

Now you can be sure.

Since your satisfaction and enjoyment in numismatics is our number one goal, we've developed a method of buying coins so that you can be sure of buying the coin you want.

Our Assured Delivery Program allows you to purchase any of the Assured Delivery coins and have that coin shipped to you within 30 days after receipt of your paid order.

And, so that you can keep your money working, your check will not be deposited into our bank until we've filled your order. This is especially helpful for you today because of the availability of interest bearing checking accounts.

A program tested and proven.

During the coin rush from 1977-1980, many of our customers experienced the "sorry, sold out" problem. In an attempt to satisfy the rising demand for coins, we privately tested the Assured Delivery concept with a few of our customers.

The result was that within a two week period after receipt of the customer's order, over 80% of the coins were either already available or had flowed into our inventory and were immediately shipped to their new owners. Of the remaining 20% of the orders, almost all of the coins were discovered in the market within 30 days, as our buyers frantically searched at major coin shows and auctions.

Now, Heritage Rare Coin Galleries has the

largest selection of coins in the world, and we feel that almost all of the requests for Assured Delivery coins can be filled immediately.

Your assurance with our pledge.

By ordering through the Assured Delivery Program, the fulfillment of your coin need becomes our top priority. Here is our six point pledge to you:

1. *We pledge to complete your order first if the coins are currently in stock.*
2. *We pledge to instruct our buyers to concentrate on locating your coins in the current market.*
3. *We pledge to assign priority to your order above all want lists.*
4. *We pledge to deposit your check only when your coins are shipped.*
5. *We pledge to provide you with the same guarantees of quality and of authenticity, and with identical privileges as a buyer on any normal order.*
6. *We pledge to ship your coins within 30 days after receipt of your order.*

Because we are so sure that you will receive your Assured Delivery coins as pledged, we make the following promise:

On any Assured Delivery order not shipped within the thirty day period, you will be sent your original check, or our check in the amount of the unshipped portion, plus a discount coupon good for 10% off your next purchase.

Be sure to get the coin you want.

Take advantage of our Assured Delivery Program today and order the coins you need. The back of your order form is especially designed for your Assured Delivery order.

You are sure to get the coin you want with the Assured Delivery Program – or get your 10% off! Send in your order today!
